dents. The public cordially in-
vited to attend.

John S. McElroy Jr. Wins.

We take great pleasure in not-
ing that John S. McElroy Jr., of
Springfield, Ky., has added new
laurels to the many already won
by him. John is this year in the
University of Michigan and has
been chosen as one of three to
represent that university in a
Triangular Debate against Chi-
cago and Northwestern Univer-
sities. John has been very suc-
cessful in debates having won
every contest in which he took
part while at Central University.

Horse Stolen

One night last week Mr. Wm.
P. Merritt had a very valuable
horse taken from his barn and
carried away. He at once notified
the county officials and had the
police officers of other places
notified. They succeeded in
finding the horse in a stable near
Mt. Washington where he had
been left by a man who said he
wanted to feed him. Later a
suspect was captured and held
in Jeffersonville, Ind. until the
officers of this county could be
notified. Deputy Sheriff T. K.
Smith went after him a few days
ago and brought him here where
he is in jail awaiting examination.

Fire Narrowly Averted.

What might have been some-
what of a more serious fire was
prevented by timely discovery
and prompt action last Sunday
when Mrs. Be. P. Simms, smelt
the order of burning cloth. On
investigation it was found that a
bed in a room over the kitchen
occupied by Hallie Mills, a col-
ored woman and her child, em-
ployed as Mr. Simms' was on
fire. When discovered the room
was filled with smoke that it
was almost impossible to gain
entrance. However, Miss Stella
Simms with rare presence of
mind, threw a cat over her back
and rushing in saved from the
flames a colored infant sleeping
in the bed. No one was at home
at the time except the women
folk and they were unable to get
water to the fire so dense was
the smoke. The negroes were
called by phone and in a short
time help answered, and after
some difficulty in gaining en-
trance women and men formed a
bucket brigade and soon had the
fire under control and extin-
guished. The colored child was
very badly burned on the arms
and face but it is thought it will
recover.

Cupid Busy

Cupid has not been idle dur-
ing the past week judging from
the number of marriage licenses
that have been issued. They
are as follows, Joseph C.esser

to Ada Bell Hudson; Merritt
Smith to Mrs. Lela Curtisinger;
John Standing to Mary Lou
Mayfield.

Rev. J. A. Sims officiated at
the marriage of Mr. Walter
Scruggs and Miss Minnie Scott,
who were married at Tatham
Springs Hotel.

Russell-Sahner.

Mrs. Agnes Nally Russell
and Mr. Chas. Sahner, of Louis-
ville, were quietly married in
Louisville last week. The bride
is a daughter of Mr. and Mrs.
Dory Nally and has been mar-
ried before. Mr. Sahner is em-
ployed with a Louisville Lum-
ber Co.

Farmers' Institute.

Commissioner of Agriculture,
J. W. Newman announces that
The Farmers' Institute will be
held this year at the court house
in Springfield, Ky. Jan. 20 and
21, 1913. Lectures will be given
on the various farm topics of in-
terest to farmers. There will also
be a lecture on Good Roads.
If this Institute is attended it
may reasonably be expected that
it will be much better than in
former years as lack of attend-
ance has always been the trou-
ble in this county.

Young Girl Dies.

Miss Laura Montgomery, the
fifteen year old daughter of Mr.
and Mrs. R. L. Montgomery died
at the home of her parents Tues-
day night. She had been in
failing health for several years
from tuberculosis. She was a
young lady with a kind and af-
fectionate disposition which en-
deared her to all who knew her,
and that her young life should
have ended so soon, has cast a
gloom of sorrow over those who
knew her.

Johnson.

Mrs. Amelia Johnson died at
her home in Lebanon last Mon-
day after an illness of a gripe.
About one year ago she had a
severe spell of the same disease
from which she never fully re-
covered. She was 75 years old
and prior to her marriage to Mr.
John Johnson she was a Miss
O'Neil. She was well known in
this county and was the mother
of 12 children, 10 of whom with
her husband survive. Funeral
services and burial were con-
ducted at St. Rose Tuesday.

Thompson.

The community of Brush
Grove was saddened on last Fri-
day when it became known that
Mr. Andrew Thompson was
dead. Mr. Thompson was strick-
en with pneumonia on Thurs-
day giving day and withstood the
disease but nine days. He was
a son of Mr. and Mrs. Robert
Thompson, of Brush Grove, and
had just reached the age of man-
hood. He was a high minded
young man with high ideals and
was a student of each church
in the community. It was sad
that the county is poorer for his
having died so young.

About one year ago he was
married to a Miss Sparrow, who
with one child survives. Funeral
services were conducted at the
Willisburg Baptist church last
Saturday and burial was in the
country there.

The prices on the tobacco
market continue good, this week
There have been quite a number
of crops sold which have made
very high averages. Chief among
these was the crop of Sileas &
Carrioco of 4000 pounds, which
averaged \$30. Toward the end
of the week the averages have
not been as heavy as during the
first of the week, owing to the
fact that not enough has been
stripped out since the rain to
make a large offering. The qual-
ity of tobacco offered continues
good.

For Sale or Rent.

Having decided to quit farm-
ing the coming year, I will offer

farm lies three miles north of
